

Greetings!

We welcome you to be part of the 2021 Annual SAZAEYC Virtual Conference “Cultivating Community” to be held virtually on Saturday, December 4, 2021. Since 1965, the Southern Arizona Association for the Education of Young Children (SAZAEYC) has been providing high quality professional development opportunities, networking, advocacy and membership for early childhood professionals.

Our membership organization, with over 400 educators in Southern Arizona, promotes high-quality early learning for all children, birth through age 8, by connecting practice, policy, and research. We advance a diverse, dynamic early childhood profession and support all who care for, educate, and work on behalf of young children. Since 2007, we have provided high quality professional development to over 5000 educators from Alaska, Arizona, California, Connecticut, Colorado, Illinois, New Mexico, Nevada, Oregon, Texas and Mexico.

Please take a few minutes to review the various options to determine which one best fits your company or organization. We appreciate the long-standing partnerships that continue to help us offer this high-quality professional development opportunity. We also welcome the opportunity to create new and lasting partnerships.
