

Greetings!

We welcome you to be part of the 2022 Annual SAZAEYC Conference “Returning to Play: Connecting the Child within you to the Children we Serve” to be held on Saturday, December 3, 2022 at the University of Arizona Bear Down Gym and College of Education. Since 1965, the Southern Arizona Association for the Education of Young Children has been providing high quality professional development opportunities, networking, advocacy and membership for early childhood professionals.

Can we count on your support?

Our membership organization, with over 350 educators in Southern Arizona, promotes high-quality early learning for all children, birth through age 8, by connecting practice, policy and research. We advance a diverse, dynamic early childhood profession and support all who care for, educate, and work on behalf of young children. Since 2007, we have provided high quality professional conferences to over 5000 educators from Alaska, Arizona, California, Connecticut, Colorado, Illinois, New Mexico, Nevada, Oregon, Texas and Mexico.

Join us!

Please take a few minutes to review the various options to determine which one best fits your company or organization. We appreciate the long-standing partnerships that continue to help us offer this high-quality professional development opportunity. We also welcome the opportunity to create new and lasting partnerships.

Take advantage of this opportunity for your company or organization to be recognized as a supporter of Southern Arizona AEYC and all of the early childhood professionals, families, and children served throughout our state. Enclosed is the information for sponsors, exhibitors, and advertisers detailing various opportunities and benefits.

With gratitude,
