

Greetings!

Tax ID # 23-7095345

We welcome you to be part of the 2024 SAZAEYC Annual Conference, “*Advocating for Our Young Children,*” to be held on Saturday, November 23, 2024, at the University of Arizona. Since 1965, the Southern Arizona Association for the Education of Young Children has been providing high-quality professional development opportunities, networking, advocacy, and membership benefits for early childhood professionals.

Our membership organization promotes high-quality early learning for all children, from birth through age 8, by connecting practice, policy, and research. We advance a diverse, dynamic early childhood profession and support all who care for, educate, and work on behalf of young children. Since 2007, we have provided high-quality professional conferences to thousands of educators from our Southern Arizona communities, as well as many professionals who have traveled to join us from other parts of Arizona and out of state each year.

Please take a few minutes to review the various options to determine which one best fits your company or organization. We appreciate long-standing partnerships that continue to support SAZAEYC and our ability to offer high-quality opportunities for professional development and personal growth to early childhood professionals. We also welcome the opportunity to create new and lasting partnerships.
